To Whom It May Concern,

This letter confirms that Mr. Saad Shams worked at Mirum Miami from May 2013 to Feb 2018 as **Director of Multimedia Development.**

Saad played a lead role in the architecture and development of Mirum Learning Platform, Mirum Conference and Event Management Platform, AEMM Plugins, and other interactive mobile projects for our prestigious clients.

He displayed exceptional expertise in software architecture design, developing modular and scalable software systems with plugins and libraries to support multilingual and multiregional applications.

Notable clients included **Adobe, General Motors, Sony, Tiffany, and Co. Ann Taylor, FICO, Honeywell, Sotheby's International Realty, Celebrity Cruises, Royal Caribbean, J. Walter Thompson, Group M, United Healthcare, Pemica, Rovi, Magic City Motorsports, Genesis, NCMPR, Pacific Basic Magazines, Georgia Tech, Alabama University, and Auburn University.**

He is a highly talented software architect for Web, Mobile, and Microservices, and team player extraordinaire, who provided and executed the finest solutions for our projects.

We strongly endorse him and believe he would be a valuable addition to any business or team. I can be reached at (305) 793 0023 for any questions.

Truly yours,

Arturo Brito
COO Mirum Miami
